The Challenging Behaviours Resource Kit

1. Does not deliver theory but interprets information into real life experiences through everyday language thus increasing stakeholder understanding.
2. Are supported by years of qualitative data and proven successes.
3. Explains the differences in the child's perception and therefore the resulting behaviour.

Summary

This Resource Kit has been designed for Health Professionals, Educators, Early Childhood Practitioners, Parents, Carers and families who want to understand and better manage the world of ADHD and other challenging behaviours.

Learn practical behaviour management strategies vital to success for children with ADHD, Learning Disabilities, Aspergers or other challenging behaviours.

Discover the keys necessary to help change their environment, decrease anger and aggression; reduce stress and anxiety; provide tools for the child's future; while giving recognition and credit to their abundant positive qualities.

The Challenging Behaviours Resource Kit consists of:

1. A copy of *Every Day with ADHD* - the book
2. A set of 4 DVDs from our Behaviour Management Series containing in depth discussions:
 - Pathways to Success – General Workshop as attended by almost 7,000 people (90 minutes)
